The destination to which Eru is hurrying, is obviously...

ナイツ&マジック

Angels & Magic

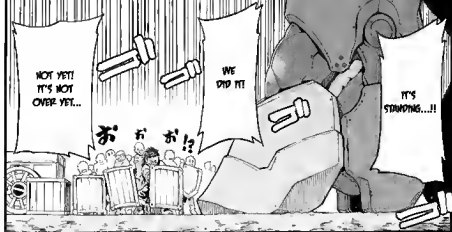

That which walks out is the result of trial and error.

Knight's & Magic

ナイト
&
マジック

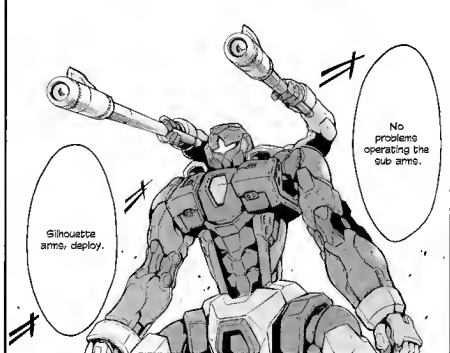

Isn't this a good thing?
... Ah, it hit again.

Y-YEAH...!

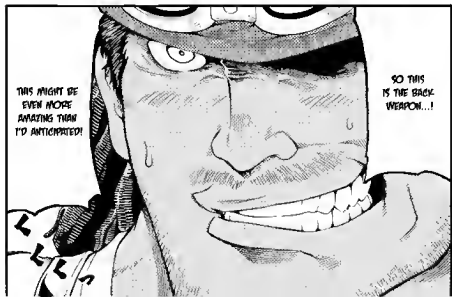

I thought it would need more adjustment... but it can hit the target.

YEAH... I WAS JUST HOPING IT WOULD FIRE, TOO.

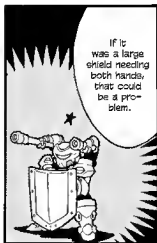

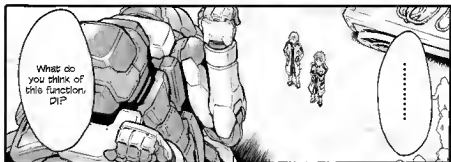

It looks like it's about 60 percent accurate... Our goal was to check the deployment and stowing of the sub arms, but this worked out well.

THIS MIGHT BE EVEN MORE AMAZING THAN I'D ANTICIPATED!

SO THIS IS THE BACK WEAPON...!

Until now,
you had to
make the time to
switch weapons.
Like this, your
firepower's easily
doubled.

Right. And
it can use two
silhouette arms
simultaneously
without additional
risk.

You know,
it's great against
a demon beast.
But there's the
chance we might
have to face that
ourselves, too.

It's nice.
It's an awe-
some function
that'll let you
defeat your
enemy more
safely.

That's right.
Should I take
you guys for
a ride first?

Testing how far it can go in a battle against the department's strongest Knight?
The one who survived a fight with a Behemoth and won?
No?

It
was just
by chance
that I sur-
vived.

Just
barely... But
that's it.

It's
because
that kid
made it on
time.

Regret
what? If
it's about
that, I could
never thank
him enough.

Could
it be that
you regret
that?

About the
Knight Runner
that kid is
trying to
make.

Actually,
it made me
curious.

No, I might
even be able
to fight to the
end against
that huge
thing!

I was
a part of
this from the
beginning so I
understand this
well... If it's with
that Knight
Runner and its
new abilities,
even I could
defeat you.

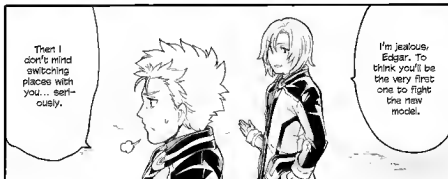

Well, simply put, it's a good thing for silhouette knights to become stronger. It'll lessen the strain of fighting demon beasts, too.

Is that why you became the test runner?

You better be prepared, Edgar! You'll be the first person I beat black and blue.

Then I don't mind switching places with you... seriously.

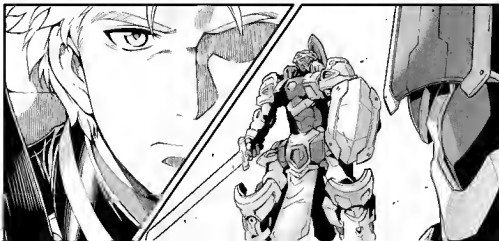

I'm jealous, Edgar. To think you'll be the very first one to fight the new model.

The model unit VS the school's strongest unit—Next time, the mock battle commences!!

NOW...
LET'S GO,
"TELLESTARLE"!
